

## **Govt.Sanskrit College, Thiruvananthapuram**

### **Research Forum**

In accordance with the Council's decision, the principal issued an order on September 26, 2011, establishing the forum and appointing Dr. L. Sulochana Devi of the Department of Vedanta as convener. Members of the Committee will be teachers who have research guidance. The gathering decided to yearly elect three committee members to serve as a working group to handle the forum's day-to-day operations and assist the convenor in doing so. the venue for study. The forum will carry out tasks crucial for raising the caliber of research done in the college. Research academics will be able to air their complaints and receive responses at the forum. It will also serve as a platform for research guides to exchange expertise and experiences. Based on its discussions, the forum will advise the College as to what changes should be made to the research facilities as well as how to organize the research program and processes for efficient management of research in the College.
