

## **Internal Quality Assurance Cell (IQAC) Annual Report**

**2021-2022**

### **Introduction**

The Internal Quality Assurance Cell (IQAC) of our institution has been diligently working to ensure the enhancement and maintenance of quality in all aspects of academic and administrative functioning. This report highlights the key initiatives, achievements, and outcomes of the IQAC's efforts during the reporting period.

#### *Blended Learning and Online Bridge Courses*

- The IQAC promoted a blended learning model, combining online and in-person classes to maintain educational continuity.
- Online bridge courses were offered to facilitate students' transition back to regular academic activities following the COVID-19 lockdown.
- A successful online bridge course on Basic Sanskrit was conducted, providing orientation to freshers and bridging gaps in their knowledge of the Sanskrit curriculum.

#### *Curriculum Development and Academic Audit Response*

- Measures were implemented to address shortcomings highlighted in the academic audit, resulting in updates to the curriculum that align with contemporary educational standards.
- A college calendar was created to ensure the timely execution of academic activities and events.
- The updated curriculum preserved traditional Sanskrit knowledge while incorporating modern educational standards.

#### *Community Engagement and Feedback Mechanisms*

- The college focused on outreach initiatives, particularly the Continuing Education program aimed at sharing knowledge of Sanskrit within the community.
- Strong feedback systems were established to collect input from students and faculty, promoting ongoing enhancement in educational practices.

- The Continuing Education initiative effectively disseminated Sanskrit knowledge to a broader community, while feedback systems provided valuable insights leading to refinements in teaching practices.
