

## Report on the Medical Camp held at Govt Sanskrit College on 23/20/2022

On October 23, 2022, a complimentary medical camp took place at Government Sanskrit College, organized in partnership with the Garden Lions Club, Neyyattinka Nims Medicity, and Sreenethra Eye Hospital. The event was officially inaugurated by P.M.G.F. Dr A.G. Rajendran, the former District Governor of the Lions Club, with Dr Sobha P. (Assistant Professor Sahithya) presiding over the proceedings. The Ophthalmology section was inaugurated by Sri Palayam Rajan, the Palayam Ward Counsellor, while Lion Chairperson Geetha Madhusoodanan and District Chairperson P.M.J.F.S. Sanakan felicitated the attendees. Lion Advocate Sooranad Chandrashekharan extended a warm welcome to all participants, and Lion Dr M.P. Gireesh Nambiar delivered the Vote of Thanks. The camp provided distinct consultations in General Medicine, Dental care, and Ophthalmology, with specialist medical officers offering their expertise. Numerous individuals from nearby areas, including Palayam, Chengalchoola, Thambanoor, and Poojappura, availed themselves of the services rendered. Additionally, the Lions Club donated free medicines to the college Health Club, ensuring continued support for community health initiatives. In summary, the medical camp was a significant success, showcasing effective collaboration among students, faculty, and the community, while underscoring the importance of such initiatives in promoting health awareness and accessibility.
